

Stage Tent 6x6m

Inflatable stage for a variety of events

Is your customer hosting the presentation of a (fashion) collection, or have they invited an artist to perform on his or her event or party? In this case, having a proper inflatable stage available makes good sense, because it puts everything in the best possible light. This inflatable stage measuring 6x6 meters is extremely suitable for such an occasion, because it really spotlights the presenter, speaker or artist. JB supplies this stage tent with two extendable flights of steps. In addition, the base of the stage has a black skirt. The stage is available in stylish white or any other color required and can even be finished using your customer's branding.

Sets up in less than no time

Setting up this stage can even be done by one person, it only takes about 20 minutes! It goes without saying that JB Eurostage (a JB subsidiary that specializes in these stages) will conveniently include a manual as well as other accessories and tools required. We can even supply a trailer.

Premium quality with a 2-year warranty

JB stages have several reinforced tension points, are multiply stitched and are made of strong, high-quality PVC that is also flame retardant, which makes them durable and easy to keep clean. In addition, we provide a 2-year warranty for our Eurostages, allowing you to offer a product with years of optimum presentation fun.

Purchase this beautiful, stylish and easy to set up inflatable stage for your customers and guarantee that they can optimally present themselves.
