Just like a regular bouncy castle, an inflatable ball pit available in a seaworld theme is a success among little ones! The inflatable ball pit has a 3D object on its roof and the walls are completed with fun images matching the theme. This seaworld-themed inflatable ball pit sits on an inflatable base, which also makes it suitable for use as a bouncy castle for younger children.

This ball pit easily sets up within 10 minutes. For instance, during a kids' party or neighborhood get-together. Because this seaworld/circus/jungle-themed ball pit comes as one compact part (single compact unit), it is easy to transport.
