

Mechanical Sweeper

Ready to jump?

Challenge your customers with this cool Mechanical Sweeper. The Sweeper is an active, challenging game where you have to try to stay in place longer than your opponents, while the pole rotates in the middle!

Easy to transport!

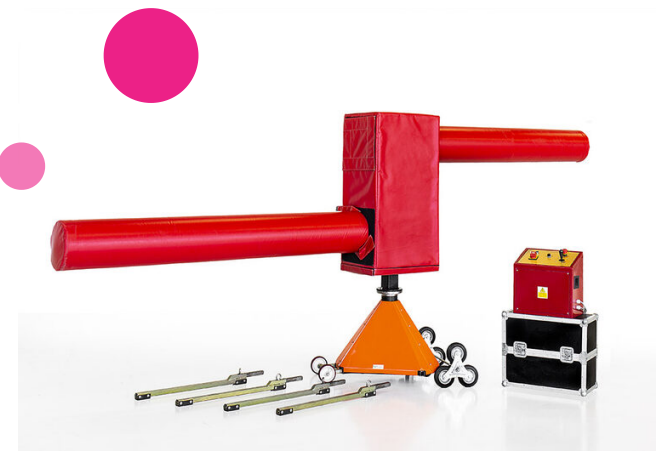

The Sweeper is supplied with four lightweight support legs, making the attraction very stable. The bottom of the legs are equipped with rubber caps, to prevent movement during use. In addition, the Sweeper comes with a handy handle and wheels. The wheels can easily be connected to the platform. This way the attraction can easily be moved and it gives the user better control when moving the object over uneven surfaces.

The control box weighs 17 kg and is supplied in a robust flight case. This Mechanical Sweeper can be operated manually, but it also has an automatic program. We deliver the Mechanical Sweeper with 1 year warranty. Everything has been thought of, so this way you have everything complete for a great experience.

Buy the Mechanical Sweeper and give your customers a competitive and challenging gaming experience!
