

# IPS Ninja Snow

*The IPS game is used with 1 IPS system that includes 10 lamps, plus 7 additional lamps. (sold separately)*

## Be the quickest or be buried under foam avalanche!

With IPS Ninja Snow we add a whole new twist to IPS games: the loser is buried under a load of foam! So think fast and move fast, hit all IPS spots before your opponent does and make sure that not you but your opponent gets under a load of foam!

## Interactive, exciting and quick to set up

Our IPS Ninja attractions are easy to transport and set up quickly in about 10 minutes. Install IPS spots in it and the attraction is ready for use in no time. The IPS Ninja Snow comes compactly packed as a single unit. You can of course buy the IPS system and the IPS Switch Box that controls the extra effects from us to make the experience complete!

## Top quality and easy to keep clean

JB inflatables have been reinforced and stitched on several points. The strong, high quality PVC is easy to keep clean. This durable inflatable comes with a 5-year warranty. With this product you can give a super fun experience to your customers!

Buy the interactive IPS Ninja Snow and give your customers the day of their lives!

## People have been opting for JB for more than 15 years

We are proud that for over 15 years, JB has been making people jump for joy all over the world. Our team of designers, developers and logistics employees has already delivered unique inflatable attractions in a grand way to more than 15,000 customers! Our professional service and delivery appeals to our customers. They also call us "creators of greatness."
