

# IPS Ninja The Bank

*The IPS game is used with 1 IPS system that includes 10 lamps, plus 7 additional lamps. (sold separately)*

**Escape as soon as possible before you get locked up!**

This IPS game is serious business: escape from The Bank as quickly as possible and avoid getting locked up. Be the first to hit all IPS spots, because if the alarm goes off and you are not ready then you go behind bars! As with our other IPS attractions, The Bank has various playing options: play against time, against each other or in teams.

**Fun to play and easy to set up**

Our IPS Ninja attractions are easy to transport, because they are compactly packaged as a single unit. In addition, you can easily set it up in about 10 minutes. Install IPS spots and the attraction is ready for use. You can of course buy the IPS system and the IPS Switch Box that controls the extra effects from us to make the experience complete!

**Top quality and easy to keep clean**

JB inflatables have been reinforced and stitched on several points. The strong, high quality PVC is easy to keep clean. This durable inflatable comes with a 5-year warranty. With this product you can give a super fun experience to your customers!

Buy the interactive IPS Ninja The Bank and give your customers the day of their lives!

**People have been opting for JB for more than 15 years**

We are proud that for over 15 years, JB has been making people jump for joy all over the world. Our team of designers, developers and logistics employees has already delivered unique inflatable attractions in a grand way to more than 15,000 customers! Our professional service and delivery appeals to our customers. They also call us "creators of greatness."
