IPS Game Walls Red

Perfect for indoor playgrounds!

These IPS Game Walls are a perfect addition to indoor playgrounds. They are easy to attach with the hanging hooks on the back. This makes it very easy to create an interactive play corner with allows to play many different games. In the set there is a blue and red game wall, so that players can compete against each other.

Easy to transport and set up within 5 minutes

Because the Game Walls are airtight, they do not have to be connected to a constant blower. Handy, because then you just have to be inflated with the supplied blower and hung up! You can of course buy the IPS system from us. There are 10 spot holders in total on 2 Game Walls.
