

# Ice cream

**We're happy** The ice cream is a fantastic addition to any event, fare or neighborhood party. Do you have an ice-cream or snack stand? The inflatable ice-cream is just what you need: no one can ignore it, the tastiest ice creams are sold here!

**Easy to use** The inflatable ice cream is approximately 2.75 m high, weighs around 15 kilos and can be set up in just a few minutes. The ice-cream comes with an internal blower in the base and of course also with a handy transport bag and a clear manual.

**Top quality thanks to nylon** The inflatable ice cream is reinforced and stitched on several points and are made of strong, high-quality nylon. They are therefore durable and easy to keep clean. This allows you to use and enjoy the product for years . Buy this fun and easy in set-up inflatable ice cream for your customers and immediately create a summer atmosphere, wherever they are!

**#15.000 customers also opted for JB's products** We have helped many people around the world with inflatable promotion objects. Our designers, developers and logistics staff deliver unique inflatables. And you are always assured of our professional service and delivery. We proudly carry the name of "creators of greatness"!

**Please note:** that this product is offered without a blower, this blower can be ordered separately.
