

Giant Modular Obstacle Course – Ball Hopper

Extremely exciting! The Ball Hopper

The jumping balls obstacle course element Ball Hopper is an extremely exciting attraction. The Ball Hopper consists of two parts and is therefore easier to set up. This mega assault course element is a real challenge for the real gladiator!

Create your own obstacle course in your unique color and print
This mega obstacle course element is sure to become the most impressive item in your assortment! The obstacle course is specially designed to be used by multiple people at the same time as we made it wider than standard courses. Choose the modules you like and build the unique obstacle course of your own. The more modules, the longer the obstacle course. Endlessly expendable! All modules can also be used separately from each other. Choose them in your desired color or print and you will have your unique, exceptional course. A real eye-catcher!

All modular elements are delivered complete – ready to use

This mega obstacle course is made of the highest quality materials. The PVC is easy to keep clean and durable. In cooperation with the Keurmerk Institute in Zoetermeer, all modular elements have been tested and certified. We supply them including blowers, anchoring material, a transport bag and a clear manual. So you have everything you need for a great experience!

Buy this unique obstacle course element Ball Hopper and give your customers the day of their lives!
