

Giant Modular Obstacle Course – Tunnel Twister

Cross paths in the Tunnel Twister

With the Tunnel Twister you can crawl through two tunnels, just like with the Tunnel Slide. But here it's just a bit different: the tunnels are on top of each other! Which way do you choose? Are you going for difficult or easy?

Create your own obstacle course in your unique color and print

The Giant Modular Obstacle Course of more than 40 modules is sure to become the most impressive item in your assortment! The obstacle course is specially designed to be used by multiple people at the same time as we made it wider than standard courses. Choose the modules you like and build the unique obstacle course of your own. The more modules, the longer the obstacle course. Endlessly expendable! All modules can also be used separately from each other. Choose them in your desired color or print and you will have your unique, exceptional course. A real eye-catcher!

All modular elements are delivered complete – ready to use.

This mega obstacle course is made of the highest quality materials. The PVC is easy to keep clean and durable. In cooperation with the Keurmerk Institute in Zoetermeer, all modular elements have been tested and certified. We supply them including blowers, anchoring material, a transport bag and a clear manual. So you have everything you need for a great experience!

Buy this unique obstacle course element Tunnel Twister and give your customers the day of their lives!

More than 15,000 customers have trusted JB
