

Jungle World 15x10M

A great inflatable playground

With this gigantic inflatable moonwalk, in which children can crawl, jump, climb and slide, you let your customers experience a great day! The Jungle World has several cool 3D objects. This beautiful playground is designed by our own designers and has several fun images in matching themes that children can find everywhere. Besides having a slide this enormous playground has various types of obstacles such as a climbing tower, a crawl tunnel and several fun 3D objects to crawl underneath. The climbing tower is of course within the height of the walls so that children cannot jump out. Go and Play!

Quickly ready for use

You do not need anyone else, because you can easily set up the Jungle world within 20 minutes. For example during large events or in an indoor arcade. This inflatable is delivered as one part, which makes the transport and the construction and dismantling much easier. We thought of everything. The Jungle World is in fact supplied complete with blowers, anchoring material, a transport bag and a clear manual.

Top quality, you can rely on that.

Our moonwalks are reinforced on multiple points and stitched multiple times. The strong, high quality, colorfast PVC lasts a long time and is easy to keep clean. The Jungle World therefore comes with a 5 year warranty. Because of this you supply your customers with years of fun. Buy this Jungle World full of play opportunities and give your customers an unforgettable day!
