

# Mega rollerslide winter

## A fantastic attraction for winter!

For the winter months, manufacturer JB inflatables has specially produced the roller slide with a winter theme. This attraction is perfect for winter use, because the roller slide can be used both open and with a roof. Climb to the top and then slide down. Hours of fun and play guaranteed!

## Convenient and complete

You can easily set it up within 30 minutes, for instance during a party or other event. The roller slide is delivered as a single unit, which makes it easy to transport and set up. This inflatable attraction comes with blowers, anchoring materials, a transport bag, two sledges, a roof and a clear manual conveniently included. The complete package for a wonderful experience.

## Several reinforced tension points

It is for good reason we always offer a 5-year warranty for this roller slide. JB inflatables have several reinforced tension points, are multiply stitched and come in strong, high-quality and colorfast 9x9-thread PVC. In short: they are durable and easy to clean, which allows you to supply a product with years of optimum playing fun.

Purchase this unique winter roller slide and give your customers an experience that they will remember for the rest of their lives!!

## More than 15,000 happy customers

In the well over 15 years we have been in business, we have made more than 15,000 customers around the world jump for joy. Because our team of designers, developers and logistics staff supply unique inflatable attractions in a grand way! And because our customers can rely on our professional service and delivery. That is exactly why they call us 'creators of greatness'.
