Indoor Beach Bounce House

A unique playing and climbing experience

Indoor bouncy castles have a slide on the jumping surface, a climbing tower and fun obstacles with prints to match the theme. These elements combined create plenty of jumping, climbing and sliding fun! Indoor bouncy castles are very suitable for smaller children, but older children are also guaranteed to enjoy themselves for hours on end in this attraction, which is available in a beach theme. Because of its limited 2.75 m height, it easily fits in practically any space.

Easy to use for any event

You can easily set up this indoor attraction with a beach theme within 10 minutes. It can be used, for instance, during a neighborhood get together, a kids' party, or an event. This inflatable themed attraction is supplied as a 1-part compact package, which makes it easy to transport. It also comes with a blower, anchoring materials, a transport bag and a clear manual conveniently included. The complete package for a wonderful experience.

Premium quality, so with a 5-year warranty

We believe in the premium quality of our JB inflatables. They are made of strong, high-quality PVC, have several reinforced tension points and are multiply stitched. In other words: optimum durability and easy cleaning. That is why JB provides a 5-year guarantee, which allows you to offer a product with years of optimum playing fun.

Purchase this unique indoor attraction available in a beach theme and give your customers an experience that they will remember for the rest of their lives!!
