

Disco Multi-theme 3,5m Bounce House

Everybody is happy about dancing and jumping!

The combination of jumping and music gives children a great and unique experience. The original disco moonwalk by producer and creator JB is a sensation in the field of inflatables. With the disco multi theme it becomes even more unique. The disco multi theme comes with one theme banner of your choice, which is attached with Velcro at the front of the bouncy castle. The theme banners are provided with excellent stitching and fit exactly to the inflatable. The theme banners can be purchased separately. This gives you a unique theme moonwalk for every occasion. Multi-functional!

Convenience and Service

Setup the disco bouncy castle easily within 10 minutes. For example during a theme party or event. The disco bouncer with a diameter of 3.5 meters is compact in one part and is therefore easy to transport. Do you want a different theme after a while? Then you can pick up the theme of the inflatable and attach another sheet with the Velcro. These sheets are of course also available separately from JB in the following fun themes: kids party, club party, jungle, seaworld, princess, pirate, cow, space, car, castle and crocodile. The disco LED lamps and Mp3 sound box are easy to place in the bouncy castle and the wiring is protected by a lockable cover with Velcro. The inflatable is supplied with blower, anchoring material, transport bag, sound box, LED lighting and a clear manual. Everything complete for a beautiful experience.
