

Mega Ballcanon Pirateship Bounce House

Aim... and shoot!

Give kids an experience to remember! This mega pirate shooter is a unique product, completely designed by our own team. The cannons are operated by the air pressure of the bouncy castle itself, a unique system we have patented. The mega pirate shooter has a fun look and feel because it is completely designed in a pirate theme. The bouncy castle is completed with a variety of targets and it allows for jumping as well as playing. As an additional feature, kids can slide down from the mast. In other words, hours of fun and games for everyone!

Set it up yourself within 15 minutes

You can easily set up the mega pirate shooter within 15 minutes, for instance during an event or party. The mega pirate shooter is delivered in one single part, which makes it easy to transport. The inflatable attraction comes with blowers, anchoring materials, a transport bag and a clear manual conveniently. The complete package for a wonderful experience.

Always a 5-year warranty

We believe in the premium quality of inflatables by JB. Therefore, we provide a 5-year warranty for the mega pirate shooter, because it is made of strong, high-quality PVC, has several reinforced tension points and is multiply stitched. It is easy to keep clean we guarantee it is a durable product. This allows you to offer a product with years of optimum playing fun.

Purchase this unique mega pirate shooter and give your customers an experience that they will remember for the rest of their lives!

Rely on our professional service and delivery

Why has JB made people around the world jump for joy well over 15 years now? Because our team of designers, developers and logistics staff supply unique inflatable attractions in a grand way! All our customers, more than 15,000 in total, can rely on our professional service and delivery. They call us 'creators of greatness'.
