

Obstacle Course Castle 46,5M

A truly spectacular attraction!

Do you want to impress your customers? No problem with this mega-size castle obstacle course of no fewer than 46.5 meters long! This challenging obstacle course is available in an exciting jungle or castle design for the complete experience. Who will rise to the challenge and be the first one to make it to the other side of this inflatable run with a castle theme? Win the battle by crawling, running, jumping, climbing and sliding as fast as you possibly can on this double-lane track. It will make a huge success of every sports day or hexathlon!

Multi-functional: can also be rented out in parts

The inflatable obstacle course is easy to set up in no more than 30 minutes. The Mega Run Castle measures 46.5 meters in total, but consists of three components: the Base Jump, the Jumping Balls and the Adventure Track. This means it can also very comfortably be rented out in individual elements. In other words: it is extremely multi-functional! The inflatable attraction is delivered in four parts, which makes transport, setup and taking down easier. We have thought of it all. The inflatable run conveniently comes with 6 blowers, anchoring material, a transport bag and a clear manual. The complete package for a fantastic experience.

Always quality and guarantee

We always supply you with premium quality PVC. JB inflatables have several reinforced tension points and are multiply stitched to make them durable and very easy to keep clean. This obstacle course comes with a 5-year warranty, enabling you to offer your customers a product with years of optimum playing fun.

Purchase the Mega Run Castle and give your customers an experience that they will remember for the rest of their lives!

More than 15,000 customers are already jumping for joy
