

Tunnel Firetruck Bounce House

Climb, play, crawl and slide in a real play tube

Are you looking for a unique feature for a kids' party? Consider using the Tunnel Play Tube, available in a Firetruck theme as the perfect attraction. It is a combination of fun play options inside an exciting tunnel-shaped item. Entering it is fun itself, because you have to crawl in. Then the exploring can start with a challenging track along obstacles, a climbing ramp that doubles as a slide and, needless to say, there is also plenty of room to just run and jump around. It is an experience your customers will talk about for a long time!

Inflated product
