

Bubble boarding Firefighter

Endless fun with the JB Bubble Parks

The Bubble Boarding in theme firefighter is equipped foam output so that you could quickly fill the boarding with foam by quickly installing and turning it on. The shape of the boarding ensures that the as much foam as possible stays inside of the boarding. Children are going to have a great time playing inside in the Bubble park with foam. The Bubble Parks are very easy and quick to place on a lawn in the backyard and therefore also very suitable for children's parties.

JB Bubble Liquid

The JB Bubbles products need not only air, but foam as well. We JB Bubble Liquid a solution for perfect foam. Use 1 bag of JB Bubble Liquid per 70 liter JB Bubble Machine. Simply fill the bubble machine with water, add 1 bag of Bubble Liquid, stir, cover the barrel and the foam party can begin. An average play time per filling of Bubble Machine is 30 to 60 minutes.. When the Bubble Machine is empty fill it up again and enjoy playing further. Endless fun!
