

Wave Slide

Aaaaaand... float!

This fun slide will make your customers experience what it is like to float. Like its name suggests, this inflatable attraction has a wavy sliding surface as a special finishing touch. This double lane attraction provides optimum room to slide. Climb up as fast as you can - and smile as you slide down! Kids can never get enough of it. The fun underwater-world prints and clouds along the sliding part perfectly match the experience. Let's get the party started!

Opt for convenience and service

The Wave Slide easily sets up within 15 minutes. This 10-meter-high inflatable slide is easy to transport because of its compact, roll-up design. The slide platform comes with extra high siding to guarantee safety. The slide is completed with a replaceable slide and platform, which are perfect in the event of wear and tear and super convenient for cleaning purposes. In addition, the slide is extra easy to take down, because it comes with a variety of air vents, allowing you to quickly get the attraction back to its original flat and rolled-up state. We have thought of it all. The slide is conveniently supplied including 1 blower, anchoring material, a transport bag and a clear manual. The complete package for a wonderful experience.

Rely on our quality and guarantee

All inflatables by JB have several reinforced tension points and are multiply stitched. In addition, they are made of strong, high-quality PVC to make them durable and easy to keep clean. The slide comes with a 5-year warranty, which allows you to offer a product with years of optimum playing fun.

Purchase this Wave Slide and give your customers an experience that they will remember for the rest of their lives!!
