## Buy an inflatable arch at JB Inflatables

Whether you buy this inflatable arch as a landlord or private individual: you can go in all directions with it. Of course, a professional finish arch is indispensable for a cycling or running race. But of course, the arch of honor can also be used for other events. For example, at a wedding, the opening of a building, or a fashion show. And at a neighborhood party or a sports tournament, the inflatable arch is also a nice eye-catcher.

## Buy professional bows with a banner

The striking arch is also commercially attractive. For example, if you buy an inflatable arch from JB Inflatables now, you will receive six large blank banners. Ideal for advertising! We can also print them if required.

The banners are available in two sizes: 2 by 1 meter and three by 1 meter.
