

Bike Capsule - 244 x 81 x 173 cm

Look at our inflatable Bike Capsules! If you buy one of these, you don't have to worry about the safety of your motorcycle or bicycle. An inflatable garage, you can set up anywhere you like to park your vehicle. JB's Bike Capsules are a (less costly) alternative for storing your motorbike. Easily, you pull the inflatable protection over your bike, and next time you'd like to ride your bike, it's just as beautiful as it has always been. This is how you care for your two-wheeler.

Order professional motorbike protection at JB Inflatables

At JB Inflatables, ordering an inflatable- car garage or motorcycle garage is both easy and fast. The professional capsules are an easier and cheaper alternative to the traditional garage or carport. How do you set up an inflatable bike protection of JB Inflatables? It's very simple: you park your two-wheeler in the inflatable garage and close the protective cover. If you get yourself a Bike Capsule, you need to pull the see-through cover over your vehicle. An inflatable garage of JB Inflatables is also very suitable for storing your camper van or car. This way you keep your vehicle safe and dry.

Purchase Car Capsules and Bike Capsules for safe vehicle storage

The inflatable car stations and bike stations are user friendly. Park your motorbike in the Bike Capsule, pull the protective see-through cover over your vehicle, plug in the blower, and then you're done. Our robust design is dust- and waterproof. With JB Inflatables' Bike Capsules, you know that your vehicle stays beautiful!
