

Outdoor Bike Showcase - 274 x 147 x 183-206 cm

Have you bought a motorbike recently, and can you just not find a place to store it safely? Or maybe you've got a lovely classic in a garage filled with a lot of other things. Do you want to showcase your gem? Have a look at the Outdoor Bike Showcase of JB Inflatables, they could be exactly what you need.

See here our handy Outdoor Bike Showcase! If you buy one of these, you won't need to build a garage or carport. You place your inflatable motor showcase in the place you prefer to place your vehicle. This could be inside, for example in a showroom, but also outdoor! Are you going for an inflatable Outdoor Showcase? Then you simply have to close the opening behind you and your vehicle is safe, clean, and dry. With an Outdoor Bike Showcase by JB Inflatables, your two-wheeler will stay beautiful for longer.

Order professional motorbike protection at JB Inflatables

At JB Inflatables, ordering an inflatable- car garage or motorcycle garage is both easy and fast. The professional capsules are an easier and cheaper alternative to the traditional garage or carport. How do you set up inflatable bike protection of JB Inflatables? It's very simple: you park your two-wheeler in the inflatable garage and close the protective cover. If you get yourself a Bike Capsule, you need to pull the see-through cover over your vehicle. An inflatable garage of JB Inflatables is also very suitable for storing your camper van or car. This way you keep your vehicle safe and dry.

Purchase Car Capsules and Bike Capsules for safe vehicle storage

The inflatable car stations and bike stations are user-friendly. Park your motorbike in the Bike Capsule, pull the protective see-through cover over your vehicle, plug in the blower, and then you're done. Our robust design is dust- and waterproof. With JB Inflatables' Bike Capsules, you know that your vehicle stays beautiful!
