

Battle Obstacle Set Yellow (8 pieces)

This inflatable airtight Battle obstacle set is great if you want to provide your shooting game with some extra obstacles. For example, if you play a game with a special nerf gun, bow, arrow, and an IPS light vest, you can use these 8 inflatable obstacles to hide behind. This makes the game you play even more challenging. You can use these 8 different inflatable paintball obstacles at an inflatable paintball bunker, laser tag arena, or archery arena. Or at our archery boarding. But of course, you can also use them in an archery game, where you shoot at each other with a special bow and arrow. Very nice for a party with children, a sporting event or a company outing.
