

Slideworld 15m Seaworld Bouce House

This Seaworld 15m bounce house is a fantastic inflatable play park where children can have fun for hours. They can enjoy clambering up the stairs on the left and right and then whizzing down the sloping section. And who dares to jump into the open mouth of the dangerous shark? This Seaworld-themed inflatable bouncer has a large shark mouth in the centre and a lighthouse on both sides next to the shark mouth. Furthermore, this bounce house looks very tropical because of the palm trees at the front. A party for children!

Inflatable bouncy castle with shark

An inflatable bounce house with a shark, such as this one, is guaranteed to be a hit with the kids. And the great thing is that this inflatable play park can be set up in no time. Super fast and easy, so that the jumping festivities can start quickly. This inflatable bounce house comes complete with a blower, anchoring material, manual, repair kit and transport bag. In addition, you get a warranty on the bounce house. If there is anything, you can always contact us.

JB Inflatables: customization possible

You can contact us if you want to buy an inflatable jumping park. Do you have a great idea or do you want a different color combination: customization is also possible!
