

Soccer golf boarding

Score!

The soccer golf boarding is a fun soccer game that trains your kicking skills to boot. This game will ensure soccer players learn to aim their shots more accurately! The soccer golf boarding comes in three parts. The middle part can be used for soccer golf by shooting the ball and sinking it in one of two holes. Both side walls have a point shooter covering with a variety of skill levels. The soccer golf boarding is also fun to play with three players at the same time. Take turns in using the various parts and aim for the highest score after all options have been played. Try to improve your kicking technique and aim your shot accurately!
