

IPS School board

Fun and educational: inflatable IPS Schoolboard

This inflatable IPS Schoolboard is a very cool innovation! This inflatable looks a bit like a blackboard but is equipped with a smart IPS system. IPS spots have been incorporated into this modern blackboard. You can place a letter sheet or number sheet under each spot. In this way, you can do all kinds of exercises in the field of language and math. Fun and educational! And because it's inflatable, you can easily take it with you and place it wherever you want.

IPS Schoolboard for an interactive lesson

You can use this inflatable IPS Schoolboard to teach and receive language and math. Place it in front of the class and you are assured of a fun, interactive lesson. Or take it outside and provide special, varied learning moments. This interactive Schoolboard can also be used as a game. How about an exciting spelling contest with your colleagues, for example? Or maybe you want to have a math contest with your friends. This inflatable is suitable for both education and entertainment!
