

IPS Gel Ball Battle

The IPS game is used with 1 IPS system that includes 10 lamps. (sold separately)

Inflatable Interactive Shooting Game

This inflatable interactive shooting game is really cool to play! Shoot the targets on the board using special guns filled with gel balls. The IPS system with interactive spots immediately shows whether you have hit your target by lighting up. With an IPS game like this, you offer excitement and relaxation. A fun game for a company outing or a family celebration. This interactive shooting game is guaranteed to get everyone excited!

Cool innovation: inflatable with IPS system

At JB Inflatables we have been making the most beautiful inflatables for many years. We are passionate about offering you the coolest inflatable attractions every day. We are also constantly innovating. An inflatable with an IPS system is such an innovation that we are very proud of. An inflatable interactive game offers extra fun. This interactive shooting game is a good example of this. Cool to play with two or more people. Grab your gel blasters and go into battle!

Have your IPS game designed in your corporate identity

This IPS game looks cool and offers a lot of fun, we'll give you that on a silver platter. But did you know that you can also have this game designed entirely in your style? Would you like to have this interactive shooting game made in the colors of your company, or with the logo of your club? No problem, a lot is possible. Just contact us and we will gladly inform you about the possibilities.
