Bouncy rocking horses: fun for young and old alike!

A fun attraction for a kids' party, but also suitable for a variety of other events, for instance a hexathlon for adults. Alternatively, consider renting it out for either a neighborhood party or village fete, or for a teambuilding event. These mega-sized rocking horses, standing approximately 1.5 meters tall, can easily carry both children and adults. Who will win the bounce-rock race and make it to the other side of the track first? A hilarious game, which can also be played with two people on the back of one horse. Naturally, that will require even more teamwork and excellent steering skills! The handles on the sides of the horse ensure that they can safely be used by all competitors!
