

Cactus ring toss

Cactus game: if you like it, put a ring on it

Yeeha! Feel like a cowboy on the prairie with this agility game, which will be a perfect addition to any hexathlon. Who will accurately and quickly throw the rings around the arms of the grinning cactus? It may look easy at first, but let's see how you feel when you are standing a few meters away from this sombrero'ed cactus. Throwing the rings around its arms is actually much harder to do than it may seem at first. An ideal game for a kids' party, a themed party or a teambuilding event. Also consider its use for a family get-together, a neighborhood party or village fete.

Creating a top game with great ease!

This Cactus Ring Toss hexathlon item is easy to set up. The cactus stands at 2 meters tall when inflated and it goes without saying that JB-Inflatables supplies it with the blower as well as the rings conveniently included. This game is ready to play within 5 minutes, and setup only takes 1 person. Guaranteed fun!

JB: quality to love and with a 5-year warranty

All hexathlon items by JB have several reinforced tension points and are multiply stitched. This large cactus made of strong, high-quality PVC is no exception! This product is durable and easy to keep clean, which is why we also provide a 5-year warranty and repair service for it.

Purchase this ring toss game with guaranteed hours of fun and games for your customers. It is an essential part of your hexathlon product range.

An amazing 15,000 customers have opted for JB

During our 15 years in business, JB has delivered joy to more than 15,000 people around the world. Our team of designers, developers and logistics staff ensure you are supplied with unique hexathlon materials. Moreover, with us you are always assured of service and high-quality delivery!
