Crawl tunnel: who's fastest?

A hexathlon is not worthy of the name without a proper crawling course. You can't have a hexathlon without one! That is why JB-Inflatables presents this convenient inflatable crawl tunnel. Competitors have to crawl through an amazing 6 meters of tunnel, before they reach the end. Who will be the fastest? The tunnel is perfectly suitable for use as a stand-alone attraction, but why not add to the challenge the by including it in a much more extensive race, full of climbing, clambering and running? No matter how creative your customer gets, this crawl tunnel by JB is a guaranteed success in your rental options!

Easy to set up: crawl away

Crawling is not the fastest way of getting things done, but setting up this game is quick and easy, because it can effortlessly be inflated and is ready to be used within 10 minutes. It goes without saying it comes with the blower, because why do things the hard way? JB supplies the complete package, everything from the anchoring materials and transport bag to a repair set for quick and easy fixes is included.

Premium quality by JB and a 5-year warranty to boot

All hexathlon items by JB have several reinforced tension points and are multiply stitched. This crawl tunnel is no exception, it is made of strong, high-quality PVC, which definitely makes it durable and easy to keep clean. In addition, we provide a 5-year warranty for all rental items from our extensive collection and we have our very own repair service to boot.

Purchase this giant crawl tunnel to put your crawling skills to the test - it is guaranteed to deliver many hilarious moments. It is fun and a real bag of laughs!
