

4 in 1 Rollercoaster Slide

Buy inflatable slide

You can buy an inflatable bounce house with a slide and obstacles at JB Inflatables. A good example is this Multiplay Rollercoaster Slide. This inflatable jumping paradise guarantees lots of jumping, sliding, and playing fun! The most striking thing about this inflatable slide is the large 3D Ferris wheel. Jump and play between the obstacles and then whiz down the slide. This bounce house is a favorite with the kids!

The Multiplay Slide Rubber Duck includes a multiplay section. You can also connect a kiddie pool instead of a multiplay. The kiddie pool can be added for \$699.

Inflatable bounce houses with slides and obstacles are trendy

Inflatable bouncers with slides and obstacles have everything fun for children: from an inflatable slide to obstacles and all the space to jump and play. And they come in festive themes, such as this rollercoaster bounce house. View all inflatable slides on the JB Inflatables website and get such a great crowd-puller at home!
