# Modular Obstacle Course Jungle - Gate Run

**Create your unique modular storm course with the Jungle Gate Run**

Navigate through the jungle gates of the Gate Run! This storm course element is a challenging obstacle. Wriggling and wrestling through the wall, you'll find yourself at the next storm course obstacle. The Gate Run combines perfectly with other elements. The more elements, the longer the storm course. The Modular Jungle Storm Course - Gate Run consists of one part that easily connects to any storm course bounce house and other storm course components from JB. A challenge suitable for all ages!

**Easily Order Obstacle Course Parts Online**

With an extra part on an inflatable storm course, you can create a unique obstacle course in no time. The more elements, the longer the storm course. You can expand the parts on, among others, the 13.5 and 19 m storm courses. By merging and combining with a JB storm course, you create your unique inflatable obstacle course. All storm course elements are delivered complete, including a blower. It is made of high-quality PVC material, making it easy to clean and suitable for many users. This ensures years of fun with your storm course bounce house!
