

Modular Obstacle Course Rollercoaster – Gate Run

Create your unique modular storm course with the Marble Gate Run

Go as fast as a roller coaster through the gates of this cool Gate Run! This striking rollercoaster theme suits real daredevils. While squeezing and rooting through the wall you end up at the next stupid track obstacle. The Gate Run can be perfectly combined with other elements. The more elements, the longer the obstacle course. The Modular obstacle course Rollercoaster – Gate Run consists of one part that can easily be connected to any obstacle course bounce house and other JB obstacle course parts. A challenge suitable for all ages!

Easily Order Obstacle Course Components Online

With an extra part on an inflatable obstacle course you can create a unique obstacle course in no time. The more elements, the longer the obstacle course. You can expand the components on the 13.5 and 19 m obstacle courses, among others. By joining and combining with a JB obstacle course you create your unique inflatable obstacle course. All obstacle course elements are supplied complete with blower. It is made of high-quality PVC material and is therefore easy to keep clean and suitable for many users. This way you can enjoy your obstacle course bounce house for years to come!
