

IPS Time Attack

The IPS game is used with 1 IPS system that includes 10 lamps, plus 1 additional lamp. (sold separately)

Tick, tock... careful time is running out!

Time Attack is an extremely exciting game in which the name of the game is to score as many points as possible within a set time! Run, shoot, jump over the objects and battle your opponent. Allow your customer to experience a wonderful time with this interactive Time Attack! Who will be the victor?

Easy transport and set up within 15 minutes

Time Attack is ideal for use at, for instance, bachelor parties, company outings and a variety of other activities. It easily sets up within 10 minutes and is easy to transport because it comes as a single compact unit. We supply Time Attack with a blower, anchoring materials, a transport bag and a clear manual. It goes without saying you can also purchase the IPS system and IPS light vests from us to fully complete the experience!

Trusted premium quality

Opting for JB inflatables means opting for premium quality PVC. All products we offer have several reinforced tension points and are multiply stitched, so you can always rely on us to provide material that is durable and easy to keep clean. The Time Attack comes with a 1-year warranty. In short, this product allows you to offer optimum playing fun!

Purchase this exciting time attack and give your customers an experience to remember for the rest of their lives!

More than 15,000 customers have led the way

Our team of designers, developers and logistic staff supply unique inflatable attractions in a grand way! Our customers are, therefore, assured of our professional service and delivery. They tend to call us 'creators of greatness'. For over 15 years, JB has made people around the world jump for joy.
