

Aqua Run Sunken Ship 7m

What an eye-catcher, this crocodile water obstacle course!

All set to impress! Kids will instantly be intrigued by this spectacular obstacle course with a fun crocodile theme. It has everything a kid could want: various fun 3D objects with a pirate ship theme, a cool crocodile and more than enough play options. Can you imagine it floating in your pool? So can we!

Safety and service

For years, JB has developed and manufactured attractions that can safely be used by any player. All water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. All attractions come with an approved inspection certificate, a blower, a log book and a clear manual. The anchor points have to be fastened with appropriate anchoring materials to keep the product in place and prevent it from floating off or getting too close to other objects. You are all set, let's get the party started!

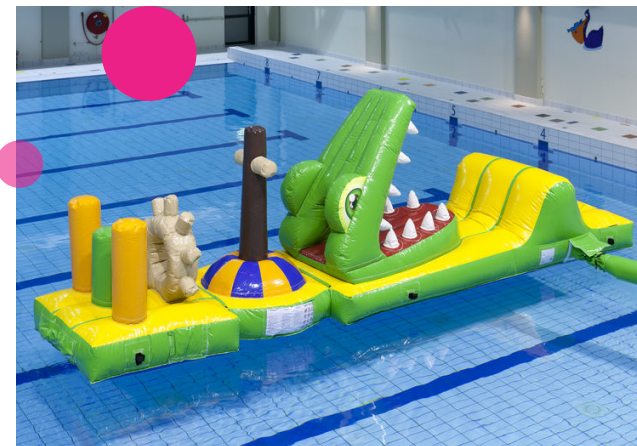

JB's high quality requirements

In order to guarantee the quality of our products, we use high frequency welded PVC material, weighing 900 gr/m2. The material has a useful protective coating that is resistant to chlorine and suitable for use in open bodies of water. This will ensure the products are durable in use. In addition, we provide a warranty of 1 year for this Crocodile Play Run.

Purchase the Crocodile Play Run and give the people visiting your swimming pool a day of splashing water fun to remember!

JB has provided services for more than 15,000 customers

For well over 15 years, JB has made people around the world jump for joy. More often than not literally! All of this is thanks to our team of designers, developers and logistic staff, who make it all possible. Time and time again, they offer unique inflatable attractions in a grand way! Customers can rely on our expert service and delivery. It is for good reason they tend to call us 'creators of greatness'.
