

Aqua run Giant Dolphin 12m

Snap and that's it?

It goes without saying no one wants to think about being swallowed by an ocean creature... but in this case it's actually great fun! With this Obstacle Run you can create an exciting adventure inside the belly of a dolphin. Luckily, you can simply slide out again through the mouth of the animal! We guarantee that kids will love joining in the fun. What an amazing experience!

Guaranteed safe play

For years, JB has designed and manufactured inflatable water attractions that can safely be used by everyone. We provide an approved inspection certificate (NEN-EN 15649:2009), a blower, a Bravo air pressure gauge, a log book and a clear user manual for all water games. Each of them comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the object stays in place. In short: it is everything you need in a complete package for a fantastic experience!

Premium quality with guarantees

All our water attractions are made of strong, high-frequency welded PVC material, weighing 900 gr/m², to guarantee the quality of our products. The PVC material has a useful protective coating that makes it chlorine-resistant and suitable for use in water. This means you will be purchasing a durable product that is easy to keep clean to boot. We have thought of everything. The Dolphin Obstacle Run comes with a 1-year warranty.

Purchase this eye-catching Dolphin Pool Obstacle Run and give kids a great day to remember!

Rely on JB, just as more than 15,000 customers have done before you

For over 15 years, JB has made people around the world jump for joy. That's right, more often than not literally! We are proud of our team of designers, developers and logistics staff, because they supply unique inflatable attractions in a grand way! Our customers are, therefore, assured of our professional service and delivery. They tend to call us 'creators of greatness'.
