

HG Mold Spray

No matter how well you maintain your inflatable, there is always a possibility that it has to be cleaned. For this purpose, we have HG mold spray and mildew cleaner available. It immediately and effortlessly eliminates all molds, making filthy black stains disappear. Spray HG mold spray on the surface from a distance of 3 to 5 cm. For very dirty surfaces, we recommend repeating this treatment after 10 minutes. Allow the product to work for 30 minutes and clean with water and a sponge. Your object will look like new again!
