

Face Painting Tent

Why state the obvious: it's face painting time

Whether your customer is hosting a kids' party, a business opening or an open day, a neighborhood party or a sports tournament, trade fair or any other event: nothing excites children more than seeing a face painting tent. It goes without saying that your customer wants to offer the best possible accommodation for the make-up team in a place that stands out. It is, therefore, for good reason this inflatable make-up tent is part of the JB inflatable collection: it is a winner. Colorful, striking, spacious and with an option to close the front to guarantee the face painting can continue despite the weather.

This face painting tent is all set and ready within 5 minutes

Even if your customer has to set it up all alone, 5 minutes is all it takes – and an easy job as well with the user manual provided. JB would not be JB if we did not supply the complete package, which means we also conveniently include the blower, anchoring materials and transport bag. Browse all our inflatable tents, which include a balloon tent, an après ski hut and a clown arena.

JB: guaranteed quality

All inflatables by JB have several reinforced tension points and they are multiply stitched. They are made of strong, high-quality PVC to make them durable and easy to keep clean. In addition, we provide a 5-year warranty and 5 years of free damage repair. This allows you to offer a product with years of optimum user convenience.

Purchase this colorful and spacious face painting tent and give your customers a successful, festive day to remember!
