

Standard Winterworld Bounce House

A true winter atmosphere

No other moonwalk is more suitable for the winter atmosphere than this cosy ski hut winter world! Do you want to organize a winter event? Ski hut winter world is the perfect match! Ski hut winter world comes with a 3D chimney atop a cosy open fire against the back wall of the bouncy castle. Moreover, parents of the playing kids can easily join the fun by looking through the two side windows of the winter world ski hut. It goes without saying that the windows are covered to prevent the children from falling through. Treat the kids to a truly cosy winter atmosphere with this ski hut winter world!

Setting it up for an event is quick and easy

The ski hut winter world can easily be set up within 10 minutes. You could use it for a winter event or party, for example. Another advantage of the ski hut winter world is that it is supplied as one compact package, which makes it easy to transport. The inflatable conveniently comes with a blower, anchoring materials, a transport bag and a clear manual. In other words: the complete package for a magical winter experience.
