

Waterslide city Bounce House

Make a splash!

Quick! Up the steps you go! Then choose which of the two slides to use, because Water Slide City comes with two of them: one going down in one straight line and one with a curve. Slide down and make a splash into the water. There is more than enough space for all children to happily have a great time. Troubled by a weather forecast that is not looking all that promising? No worries! Water Slide City can easily be transformed into a ball pit. To even add to the fun, there is a basket to shoot balls through - the complete package for fun and games!

Convenience and service

Water Slide City easily sets up in no more than 10 minutes. This inflatable pool with slides can easily be transported because of its compact rolled-up format. The inflatable is conveniently supplied including a blower, anchoring materials, a transport bag and a clear manual. It is everything you need in a complete package for a fantastic experience!

The best quality and a 5-year warranty

It goes without saying that JB inflatables are made of strong high-quality PVC. In addition, they have several reinforced tension points and are multiply stitched to guarantee they are durable and easy to keep clean. They come with a 5-year warranty, allowing you to offer a product with years of optimum playing fun.

Purchase this Water Slide City and give your customers a great day to remember!
