

Limbo Game

Limber up: how low can you go?

A hilarious, unique and essential part of a hexathlon or other games program. Whether it's a children's party, a village or neighborhood get together, a meeting or an event to inspire a company team to work (more) closely together: this limbo dance game with a unique JB-Inflatables touch is included in the collection. Anyone can participate in this game, but it goes without saying that the player who is limber enough to bend backwards and pass under the inflatable bar, which is gradually lowered notch by notch, is the winner.

Easy to set up limbo game

This wonderful addition to everyone's hexathlon collection is quick and easy to set up, even if the one organizing the game has to do it alone. It goes without saying that JB supplies the complete package, which means that a transport bag, fastening and mounting materials and a blower come conveniently included.

Premium quality by JB and a 5-year warranty to boot

All items by JB have several reinforced tension points and are multiply stitched, which means this cheerful limbo dance game is no exception! It is made of strong, high-quality PVC, to ensure the game is durable and easy to keep clean. In addition, we provide a 5-year warranty and a repair service for all hexathlon items in our extensive collection.

Purchase this limbo game, which will surely deliver many a fun moment. It will undoubtedly give your customers a fun experience to remember!

JB: 15,000 enthusiastic customers in 15 years
